

Gujarat, Gujarat, Gujarat!  
I am proud to be born in Gujarat!

Proud to be born in such a state  
The land of hope, purity, trust and faith.

Oil refinery, diamonds, silk and cotton mills  
Showering richness showing its skills.

Parnera, Pavagadh, Girnar and Ambaji  
Are not just hills  
But satisfying people's holy wills.

Narmada, Tapi, Ambica and Kaveri  
Yields bountiful water for livery.

Mahatma Gandhi, Sardar, Ambani and Premji  
Are legends proving pillars of peace and stability.

Illiteracy, Population, Poverty and Unemployment  
Are the vices decreasing due to speedy development.

The natural boundaries of water and land  
Make the state firmly stand.

Vegetables, Grains, Cereals and Crops  
The state cultivates in ample stock.

The weather and climate of the State  
Keep the atmosphere cool and temperate.

This reduces the fear of global warming  
So Gujaratis keep on enjoying.
